

RACES

Working the races at Road Atlanta and at the Atlanta Dragway is a way to have fun, meet new people, and put funds in your student account.

For the Flowery Branch High School BPA, the race coordinator and main contact for the races Pam Clendennin. Her email address is pac1964@bellsouth.net and her cell phone number is 770-654-0858.

The following pages will give you information for the different areas in which the FBHS BPA work. For Road Atlanta, we work in the areas of security and parking. For Atlanta Dragway, we work in the areas of security, ushering, and parking. EKG Security is the firm we will be working for at these events.

Information and dates for the race events will be posted on the FBHS band website. The races at Road Atlanta are usually between April and June. The Petit LeMans race is held in late September to early October. The race at Atlanta Dragway is usually in early May. These dates and time of these events are subject to change. Up to date information can be found on the band website.

If this is your first time working the races, you will need to watch an informational video from EKG Security. Please plan showing up a few minutes early to watch this video.

After the event is worked, the funds will be dispersed to the BPA in approximately 6 weeks. A check from EKG Security made payable to the BPA for the total amount will be given to Pam along with a sheet detailing the amount that is to be credited to each student's account. This tally sheet and check will be mailed to the BPA Treasurer and the funds will be credit to the student's account at that time.

Keep track of your work hours. Through CHARMS, please verify the appropriate amount has been credit to the student account. If any discrepancies are seen, please notify Pam immediately.

Email is the preferred method of communication. Please make sure that Pam has an accurate email address for each worker. Leading up to the race, please check your email frequently. If we get additional slots or if there are updates, the information will be communicated through email. If time permits, information on the website will be updated.

In order to work, you **must** fill out page 6 of this document. This must be done for every member of the family that will be working. If a FBHS student is working, Pam must have a photo ID that must include your date of birth. A school issued student ID will not be sufficient without a birth certificate. If a birth certificate is submitted, you may black out any information that you don't wish for Pam to have. If a family member or some other person is working on behalf of the student, a photo ID will be required for proof of age. This information will be kept by Pam on file.

Once the forms are completed, you can return them to Pam, to Mr. Naughton, or the BPA secretary.

Again, if you have any questions regarding the races, contact Pam at the phone number or email address listed on the previous page.
